

WEEDOUT

## Partnerships 2026

### Reach your audience

Meet 200 front end developers and design practitioners in an atmosphere where long lasting relationships are formed.

# You're invited!

Join us at the stunning Brighton Dome Studio Theatre on 12 March 2026. Be part of a conference created especially for front end developers, and all those designers who like to have fun in the browser.

Web Day Out is brought to you by Clearleft – one of the world's first and best-regarded UX design consultancies. Creating events for the UX community since 2005.
